

St Vincent's Employability Programme

Are you looking for work but need skills and experience?

St Vincent's Step Up Employability Programme could be your final step to employment.

Step Up is a free 20 week programme that we design around your needs and interests. At the end of the programme, you will have the skills and work experience that will help you find paid employment.

During the programme you will:

- Gain work placement experience;
- Complete a learning programme and achieve accredited certificates;
- Build up your CV;
- Gain a valuable reference;
- Have ongoing support throughout your development;
- Build confidence and gain life skills;
- Gain job application and interview techniques; and
- Get help when leaving the programme and getting into work.

You can start the programme at a date to suit you. Just call St Vincent's on 0113 248 4126 or e-mail matthew.henderson@stvincents-svp.org.uk for an application form.
